#### Key Strategic Activity Progress

<b>Pillar</b>	<b>1</b>	<b>Active &amp; Engaged Community (Social)</b>
<b>Objective</b>	<b>1.1</b>	<b>Continue to enhance Community Capacity Building</b>

**1.1.1 Develop and implement neighbourhood planning within the Shepparton community.**

1.1.1.1 (KSA) Develop one Neighbourhood Plan and one Locality Plan endorsed by Council.

Completed Two plans - one Locality (Arcadia) and one Neighbourhood plan (Kialla Lakes) completed in 2014-2015. Shepparton East and St George's Road Locality Plans were endorsed by Council in December 2015.

**1.1.2 Continue to work with our communities to implement their community plans.**

1.1.2.1 (KSA) Complete the Congupna Community Plan and have endorsed by Council.

Completed

**1.1.3 Review, amend, implement and monitor Council's community consultation and engagement strategy.**

1.1.3.1 (KSA) Achieve a Community engagement community satisfaction survey result greater than 56.

Ongoing The Community Engagement Survey is carried out by JWS Research on behalf of the Department of Environment, Land, Water and Planning. The Survey is completed in February and March annually with the Report being received in late June 2015. This year our Community Engagement and Satisfaction Rating was 58. The 2015/16 survey will be conducted in February / March 2016 with results to be received in late June 2016.

**1.1.4 Develop effective partnerships with agencies to deliver improved community wellbeing (all age cohorts) outcomes.**

1.1.4.1 Deliver at least ten Programs in partnership with other government, community and/or corporate organisations

Ongoing Activities in the Park delivered from October 2015 - March 2016 in partnership with 13 internal council departments, 41 community/corporate organisations, 3 media partners and 5 external sponsors. Walk to School Day delivered in partnership with VicHealth throughout October including the Pedometer Challenge

1.1.4.2 Monitor and appropriately support the provision of adequate quality children's services.

Ongoing The developing role of quality assurance officer is strongly supporting this process. All services achieved "Meeting Standard" in their first Assessment and rating visit under the new National Quality Framework. Three services achieved "Exceeding Standard". We aim for all services to be "Exceeding" standard by 2020. All services will be rated at least one in this time period. Significant work is being completed on updating the Children's Services Policy and Procedure handbook. This change will put the emphasis on policies required by regulation and referring other practices to the National Quality Framework and Regulations.

<b>Objective</b>	<b>1.2</b>	<b>Develop and implement a strategy for improving education for all ages.</b>
------------------	------------	---

**1.2.1 Develop an Education Strategy that includes the principles of lifelong learning.**

1.2.1.1 (KSA) Develop a Tertiary Education Strategy adopted by Council.

Deferred This action has been deferred pending the Economic Development, Tourism and Events Strategy being completed.

1.2.1.2 Continue to work with education providers to increase the range of locally available education options and promote life long learning.

Ongoing The Education Roundtable is an ongoing function with guidance being provided by the Economic Development, Tourism and Events Strategy . The Manager Economic Development has been appointed to the Latrobe University Regional Advisory Board and is also working with GOTAFE on the development of a Jobs and Skills Centre. Manager ED is also working on the Back to Work Economic Participation Coordination Project with the Victorian Government.

**1.2.2 Review and amend (if required) Council's Higher Education Strategy with the aim to improve the aspirational goals of students to gain further skills by attending higher education.**

1.2.2.1 Ensure there are opportunities for arts education in the region

Ongoing The Shepparton Art Museum provides school holiday arts programs throughout the year. We deliver ongoing education programs throughout the year. These include preparing education packs for major exhibitions, and developing professional development sessions for teachers as well as tours for school groups. Public programs are developed around key areas, such as community engagement, Indigenous partnerships, and focus on particular ages, such as youth. SAM also runs regular holiday programs.

**1.2.3 In association with education providers and industry/business develop opportunities to assist with the attainment and retention of skills to support industry and business development in Greater Shepparton.**

1.2.3.1 Work with local business and education providers to devise strategies to retain young people in the region and build our community's intellectual capital and improve educational outcomes.

Completed This action is a part of the Economic Development, Tourism and Events Strategy.

<b>Objective</b>	<b>1.3</b>	<b>Ensure liveability options are always considered in our decision making activities.</b>
------------------	------------	--

**1.3.1 Develop partnerships with Federal and State governments, statutory agencies, non for profits and private business to leverage growth within Greater Shepparton.**

### 1.3.4 Renew and implement the Universal Access and Inclusion Plan.

1.3.4.1 (KSA) Ensure that all kindergartens offer all eligible children 15 hours of kindergarten per week facilitated by a qualified kindergarten teacher.

Ongoing All GSCC kindergarten currently offer 15 hours of kindergarten to each eligible child in the year before they attend primary school. Ongoing Commonwealth funding beyond December 2016 is uncertain. Due to operational costs this will have a significant impact on the ability to maintain this service level post 2016. Undocumented information implies that an extension of two years will be funded in the May 2016 Commonwealth budget. Enquiries have been made through the MAV regarding this issue, however it is not anticipated that confirmation will be forthcoming until the federal government budget in May 2016.

1.3.4.2 Implement the identified outcomes and objectives from the adopted UAIP.

Ongoing On 3 December 2015, Council with the support from a number of local organisations and agencies partnered to deliver International Day of a Persons with a Disability event. This event was held in the Queens Gardens Shepparton and attracted over 400 people on the day.  
Recent outcomes of the Universal Access and Inclusion Plan include:  
Development of Events Advisory Kit, Portable hearing loops purchased to be used at Council events and activities, Portable ramps available free to loan to the community to make events and facilities more accessible, Communication Boards are accessible at Council's Customer Service areas.

1.3.4.3 (KSA) Develop a new Universal Access and Inclusion Plan.

---------	---

**1.3.7 Continue to implement the Early Years Plan objectives.**

1.3.7.1 Implement the Early Years Plan outcomes and objectives.

Ongoing	<p>The 2015-2019 Best Start Early Years Plan was adopted unanimously at the October Council Meeting. The outcomes identified are largely carried on from the previous plan. The nature of the outcomes is such that they will be achieved over long term concentration on positive influencing factors.</p> <p>The new Best Start Funding guidelines prescribe two mandatory Primary Outcomes; "Improving active engagement in Maternal &amp; Child Health Services" and "Increasing participation in early education services (kindergarten) with a focus on vulnerable families". These two outcomes already exist in our Best Start Early Years Plan. Work towards these outcomes is well embedded in the work of the Best Start partnership and our early childhood services.</p> <p>One of the key features of the new plan is the "Developing Language in Early Childhood Settings" training which has been developed locally. This training has completed the piloting stage and is now being offered to early childhood services in a variety of delivery methods to meet the needs of early childhood professionals. This program has the strongest links Outcome 2: Every child is supported to become a confident learner.</p>
