## Introduction

Council is committed to working in partnership with local community's to implement the Community Planning program. A Community Plan is a written document that identified a community's vision for the future and the priorities and actions identified to achieve this vision.

Council is currently working in partnership with **seventeen** small towns, localities and neighbourhoods within Greater Shepparton

- Arcadia
- Boulevard and Golf Estates (Due to be endorsed in December 2016)
- Congupna
- Dhurringile
- Dookie
- Katandra West
- Kialla Lakes
- Merrigum
- Mooroopna
- Murchison
- Seven Creeks
- Shepparton East
- St George's Road
- Tallygaroopna
- Tatura
- Toolamba (5 year review due to be endorsed in November 2016)
- Undera

Council recognises that it is important that Community Plans are regularly reviewed so that the priorities and actions are relevant and up to date. As such, Steering Committees review their Action Plans annually.

The Community Plan Groups have recently consulted with their local community and other stakeholders to review their Action Plans. From the information gathered, the Steering Committees have updated their associated Action Plans and have highlighted priorities that they will concentrate on over the next year. This document is a compilation of the Action Plans (and priorities) from each of the seventeen Community Plan groups.

A number of similar priorities across the Community Planning groups are:

- Youth Recreation Spaces
- Walking paths and track
- Community events and activities
- School crossing safety.
