		and conduct early intervention in their community via enabling connections and assistance with relevant mental health services.		
Mooroopna Education and Activity Centre	MEAC cookbook and handy hints and life hacks	Based on the shared enjoyment of food MEAC will develop a cookbook with added extras such as, handy house hold hints/ clever life hacks, home preserves, COVID-19 coping strategies, memories and space for the users' own recipes. It will allow community to keep in touch and have a project that they can all contribute to with a final product that can be kept forever as a collective recollection of this tough COVID-19 time.	Community Matching Grants	\$3,500.00
Byrneside Public Hall Inc.	Byrneside Hall Rejuvenation	The Byrneside Public Hall has recently celebrated its 125th Anniversary. The Hall has an iconic presence in Byrneside and has been the hub of the community since it was built. The Committee of Management have been working hard to keep the hall in great condition. This project is to rejuvenate the hall by painting of external windows and timber facia, replace the guttering and internal roller blinds.	Community Matching Grants	\$5,000.00
Tatura Civic Halls Committee Inc.	Upgrade of Air Conditioning	The major hall Victory Hall is currently warmed with 6 radiant wall mounted gas heaters installed in 1974. They are now non-compliant, being non-flued and with no carbon monoxide detection devices. The cooling of Victory Hall is assisted by an evaporative unit mounted on the roof, having been installed over 30 years ago it has passed its use-by date. This project will see the installation of 8 reverse cycle air conditioning systems in the two public halls.	Community Matching Grants	\$5,000.00
Merrigum Football Netball Club	Building Development Planning	This project is part of the master plan for the Merrigum Recreation Reserve which has been in progress since 2013. Funding will be used to undertake a detailed survey of the reserve to identify the amenities and potential suitability of a site for new buildings.	Community Matching Grants / *(this project is co-funded with the Our Sporting Future Grant \$2,500)	\$2,500.00 *(\$5,000)
