Version:	2
Business Unit:	Corporate Governance
Responsible Officer:	Manager Corporate Governance
Adopted By:	Council on XX August 2024

1. PURPOSE

2. OBJECTIVE

The objective of this Policy is to ensure that all relevant persons act with integrity, mitigate risks and comply with legislative obligations through recognising and disclosing interests (whether they are actual, potential or perceived) that can conflict with their public duty, in order to achieve effective governance standards.

5 REQUIREMENTS

Conflicts of interest are inevitable and can arise without anyone being at fault. Nevertheless, relevant persons are best placed to identify if and when a conflict of interest or potential conflict of interest exists. They have a duty to place the public interest above their private interests. Therefore, it is imperative that any conflicts of interest are disclosed and effectively managed with transparency.

Although, conflicts of interests may occur in any part of Council, some functions and activities pose higher risks than others and may require increased vigilance. These high risk areas include decisions taken by Councillors or decisions concerning recruitment, procurement, the issue of infringements and prosecutions, application for permits and applications for grants.

5.1 What is a Conflict of Interest?

Generally, a conflict of interest occurs when the private interests, associations or duties of a relevant person conflict with their public duties and responsibility to act in the public interest.

For the purposes of this Policy, a relevant person has a conflict of interest if they have:

- (a) a general conflict of interest within the meaning of section 127 of the Act; or
- (b) a material conflict of interest within the meaning of section 128 of the Act.

5.2 General Conflict of Interest

Subject to section 5.4 of this Policy, a relevant person has a general conflict of interest in a matter if an impartial, fair-minded person would consider that the person's private interests could result in that person acting in a manner that is contrary to their public duty.

5.3 Material Conflict of Interest

Subject to section 5.4, a relevant person has a material conflict of interest in respect of a matter if an Affected Person would gain a benefit or suffer a loss depending on the outcome of the matter.

The benefit may arise or the loss may be incurred:

- directly or indirectly; or
- in a pecuniary or non-pecuniary form.

5.4 Exemptions

In certain circumstances, a relevant person will be deemed not to have a conflict of interest if an exemption applies. It is therefore important that consideration is given to the potential application of the following exemptions prior to making a disclosure:

- the conflict of interest is so remote or insignificant that it could not be reasonably regarded as capable of influencing the actions or decisions of the relevant person in relation to the matter;
- the interest that would give rise to a conflict of interest is held in common with a substantial proportion of the residents, ratepayers or electors of the municipal district and does not exceed the interest held by the other residents, ratepayers or electors;
- the relevant person does not know the circumstances that give rise to the conflict of interest, and could not be reasonably expected to know those circumstances;
- the interest only arises because the relevant person is the representative of the Council on a not-for-profit organisation that has an interest in the matter and the relevant person receives no personal advantage from the not-for-profit organisation;
- the interest only arises because a family member of the relevant person is a member but not an office-holder of a not-for-profit organisation;
- the interest only arises because the relevant person is a member of a not-for-profit organisation that has expressed an opinion or advocated for an outcome in regard to the matter;
- the interest arises in relation to a decision by a Councillor on a matter or in a circumstance that is prescribed to be exempt by the regulations, including:
 - the nomination or appointment by the Council of a Councillor to a position for which the Councillor will not be remunerated;
 - the nomination or appointment by the Council of a Councillor to a position in the Municipal Association of Victoria or in another body that has the purpose of representing the interests of Councils;
 - a submission by the Council to an electoral structure review under section 16 of the Act or a ward boundary review under section 17 of the Act;

GUIDANCE NOTES

This form must be completed where a Council Officer holds either (or both) a General or Material Conflict of interest as defined by Section 127 and 128 of the *Local Government Act 2020 (The Act)*.

The following can be used as a basic guide when determining the nature of a potential Conflict of Interest. However the Act should always be referred to for a comprehensive list of provisions which outline an officer's Conflict of Interest obligations. If unsure, please seek advice from the Governance Team.

General Conflict of interest:

A general conflict of interest arises when it could be reasonably considered that an officer's personal interests could result in them acting in a manner that is contrary to their public duty.

Example: You are a bookings officer and receive two separate requests to reserve a particular Council venue on the same day. Both requests were received at the same time, and only one can be accommodated. One of the requests is received from a club which you are an active member of.

Material Conflict of Interest:

A material conflict of interest may be present when a matter would result in a benefit or loss to the Council Officer personally, or to:

- a family member;
- a body corporate of which the officer (or their spouse / partner) is a Director or board member;
- an employer (excluding public bodies such as Council);
- a business partner;
- an individual for whom you are a consultant, contractor or agent;
- a beneficiary under a trust, or an object of a discretionary trust of which you are a trustee; or
- a donor of a disclosable gift (to which the value exceeds \$500).

Example: You are on a grant assessment panel, or tender evaluation panel, and identify that one of the applicants is a family member.
