Welcome to Shepparton & Goulburn Valley

Gulpa Gaka Yorta Yorta Woka

Welcome to Yorta Yorta Country - We, Greater Shepparton City Council, acknowledge the Yorta Yorta Peoples of the land which now comprises Greater Shepparton, we pay our respect to their tribal elders, we celebrate their continuing culture and we acknowledge the memory of their ancestors.

This is a bold, independent and bountiful place. A place with proud traditions of striving, morphing, producing and thriving. A place where the established and emerging come together to create a kaleidoscope of experiences. An unsung hero of feeding and flavouring the nation, and a home for people from all around the world. The current and ancestral home to the Yorta Yorta peoples, who have built their lives, their communities and their history here, connected to Country, for thousands of years. A regional community that is more than meets the eye. Where over 50 languages are spoken, and where connecting, transforming and celebrating is simply our way of life. A united place made flavourful through a collection of unique towns and cities, each shining with its own history of cross-cultural growth and local character. Each showing us the brighter, deeper shades and tones of life. Never boring, always vibrantly surprising.
