

## GREATER SHEPPARTON TOWN ENTRY SIGNS

Details of confirmation of your town entry sign request are provided in the accompanying correspondence. Failure to utilise the allocated position and adhere to the specified timeframes may affect future bookings and/or result in a fee payable to Greater Shepparton City Council.

Town entry signs must be corflute and be of a professional standard for display.

Individuals and organisations making use of the town entry signs understand that all activities undertaken are at their own risk and Council will not accept responsibility or be held responsible for personal injury or property damage as a result.

### Locations of Town Entry signs

#### Shepparton

- Wyndham Street - left hand side heading north (between Guthrie and Longstaff Streets)
- Numurkah Road - left hand side heading south (between Grant Court and Hawkins Street – out front of IGA supermarket)
- Benalla Road - left hand side heading west (between Zurcas Lane Shepparton Marketplace)
- Midland Highway/Fryers Street — left hand side heading east (Monash Park)

#### Sign Size

1800mm wide x 890 high

#### Instructions

You will need a screw driver only (**Do not use a cordless drill as this only strips the screw**)

- Positions 1 & 2 — remove the screws securing the bottom of the frame. Slide the billboard upwards into position. Replace the bottom of the frame and the screws.
- Positions 3 & 4 — remove the screws securing the right hand frame. Slide the billboard to the left. Replace the right hand frame and the screws.

## Mooroopna

- Midland Highway - left hand side heading East (front of the Mooroopna recreation reserve)
- Midland Highway - left hand side heading West (near War Memorial)
- Echuca Road - left hand side heading South (near Gemmill's Swamp)

### Sign Size

1800mm wide x 890mm high

### Instructions

Each position has the capacity to lock into place to secure your sign via a hinged frame. A small padlock to secure will need to be provided by each user at each location.

- Positions 1 & 2 —Slide the billboard upwards into position and place your lock into mechanism.
- Positions 3 & 4 —Slide the billboard to the left into position and place your lock into mechanism to secure your sign.

It is important to note that you are required to remove your signs on completion of your booking to ensure the next booking can be placed appropriately. If you do not remove your sign by the allotted time, your lock may be forcibly removed to allow the next booking to proceed.

**All lock forcibly removed will not be replaced by Council.**

## Tatura

- Dhurringile Road - left hand side heading South (Between Johnstone and Ferguson Road)
- Tatura-Undera Road - left hand side heading South (North of Cussen Park)
- Junction Murchison-Tatura Road and Girgarre East road – Left hand side heading North

### Sign Size

1800mm wide x 890mm high

### Instructions

All signs must be secured to the structure using four sets of nuts and bolts or wing nuts using the holes provided to ensure that they remain fixed in position. Any signs not affixed in the specified manner will be removed. No holes are to be drilled (for example rivets, tek screws) and no tape is to be used.
